Press Release: Great Place To Work Certification Announcement

Remsons Industries Limited Is Now Great Place To Work Certified

Mumbai, 14th March 2024 – Remsons Industries Limited has been Great Place To Work® Certified™ in India (from March 2024 to March 2025). Remsons has been a beacon of excellence in the corporate world, consistently shining in multiple categories. Not only has the company secured the coveted Great Place to Work recognition three times consecutively, but it has also been a front runner in India's top 100 mid-sized companies across various sectors, including service, health, and IT. Furthermore, Remsons has been acknowledged as the best in the auto and auto component industry, as well as a top performer in the Indian manufacturing sector, securing a spot in the prestigious India Top 50 list. Most recently, Remsons has been recognized as one of India's Top 25 companies for building a culture of innovation, a testament to its commitment to pushing boundaries and fostering creativity within its workforce.

Great Place To Work is the global authority on workplace culture. Since 1992, they have surveyed more than 100 million employees worldwide and used those deep insights to define what makes a great workplace: trust. Their employee survey platform empowers leaders with the feedback, real-time reporting, and insights they need to make strategic people decisions.

"Unlocking the full potential of our company begins with empowering our greatest asset - our people. By investing in people excellence practices, we cultivate a culture of continuous growth, innovation, and success." - Group CEO, Mr. Amit Srivastava.

Great Place To Work is the global authority on workplace culture. Their mission is to help every place become a great place to work for all. Their recognition is the most coveted and respected in the world for elevating employer brands to attract the right people. Their proprietary methodology and platform enable organizations to truly capture, analyze, and understand the experience of all employees. Our groundbreaking research empowers organizations to build cultures that retain talent and unlock the potential of every employee. Since 1992, their Certification, Best Workplaces™ Lists, and global benchmarks have become the industry standard, built on data from more than 100 million employees in 150 countries around the world.
